The intent of an independent study project is to learn a body of knowledge and/or techniques (specified in Goals, below). It is not a vehicle to get separate credit for part of the student's dissertation (though the knowledge learned can be applied there), nor to get credit for a funding-related task.

Goals (What do you hope to learn? How does this contribute to your educational goals?):

Why is an independent study more appropriate than an ordinary course for this work?
